PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
114210		<p><b>F-35 ROLLER CABINET AVIATION</b></p> <p>Inclined drawers, side cabinet, HDFI, FT Custom</p> <p>Aviation Roller Cabinet custom designed specifically to meet the varied needs of F-35 daily maintenance. Configuration:</p> <ul style="list-style-type: none"> <li>• F-35 custom tool content</li> <li>• HDFI custom engraved inserts</li> <li>• Laser etching for Tool ID</li> </ul> <p><a href="#">More info</a></p> 
G2082		<p><b>F-35 COMBINED SERVICING INSPECTION KIT</b></p> <p>Provides a tailored assortment of hand tools required to support common maintenance tasks, such as BOS, POS, IOS, and health checks for F-35.</p> <p>Toolkit Crew</p> <p><a href="#">More info</a></p> 
110100		<p><b>F-35 END OF RUNWAY KIT</b></p> <p>The EOR Kit is optimized for use in both permanent airbases and deployed environments, ensuring reliable performance in harsh conditions. It supports key activities such as quick inspections, and immediate operational support to help minimize downtime and keep aircraft mission-ready.</p> <p>The kit provides essential equipment for rapid response, operational readiness, and ground support during F-35 missions.</p> <p><a href="#">More info</a></p> 
111311		<p><b>F-35 UTILITY FLIGHT CASE FOR PILOTS PERSONAL</b></p> <p>Personal utility flight case that fits all F-35 pilot flight equipment (PFE). This solution replaces standard flight equipment bag and is tested and recommended by Norwegian F-35 pilots</p> <p><a href="#">More info</a></p> 

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
114928		<b>F-35 WASH KIT</b> Complete wash cover kit for F-35. Provides reusable wash covers, removing the need for one time use "Barrier Paper". Includes: <ul style="list-style-type: none"> <li>• Cover Canopy F-35</li> <li>• Cover Camera F-35</li> <li>• Cover Nose wheel F-35</li> <li>• Cover main wheel L/H</li> <li>• Cover main wheel R/H</li> <li>• 35 ea. sensor covers</li> <li>• 4 ea. tape</li> <li>• HDFI custom fitted</li> </ul> <a href="#">More info</a> 
114965		<b>F-35 DIVERT KIT</b> Customized divert kit for F-35 with selected tools and our HDFI solution for optimized solution and care.  Hardback case solution IP67 Rated for water and dust protection Automatic pressure equalization valve that keeps water and dust out. Customized HDFI insert with shock absorbing function, engravable text, art.no, logo  <a href="#">More info</a> 
122723		<b>F-35 AME 3 ALTERNATE MISSION EQUIPMENT</b> Custom fitted box with our HDFI for a range of mission-specific, interchangeable equipment.  <a href="#">More info</a> 

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
124604	 <p>Finland example:</p>	<p><b>F-35 ENGINE AIR INTAKE / EXHAUST PLUG / 3 PCS SET</b></p> <p>3 pcs set, Custom, F-35, FTC</p> <p>Custom fitted set for F-35 . Squadron logo &amp; design custom fitted by customers choice.</p> <ul style="list-style-type: none"> <li>• 1 Ea. Engine Exhaust plug for F-35</li> <li>• 1 Ea. Engine Air inlet plug L/H F-35</li> <li>• 1 Ea. Engine Air inlet plug R/H F-35</li> </ul> <p>Models: A, B &amp; C</p> <p><a href="#">More info</a></p> 
122946		<p><b>F-35 PITOT PROBE COVERS CUSTOM</b></p> <p>F-35 Fabric Pitot Probe Cover set. Fabric with heat resistant liner. 2 ea. Covers: 1 ea. left - 1 ea. right.</p> <p>All models: A, B &amp; C</p> <p><a href="#">More info</a></p> 
122947		<p><b>F-35 POWER &amp; THERMAL MANAGEMENT SYSTEM PLUG</b></p> <p>Custom fitted Cover for the F-35 Power &amp; Thermal Management System (PTMS)</p> <p>Fabric with heat resistant liner.</p> <p><a href="#">More info</a></p>

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
124244		<p><b>F-35 PMAC FLUSH PORT MODULE COVER - LEFT Attached Multi-Function Pitot Probe Cover, Kit</b></p> <p>Flush Port Module Magnetic Cover for F-35 LEFT side Attached F-35 Multi function molded polyurethane Pitot Probe Cover</p> <p>All models: A, B &amp; C</p> <p><a href="#">More info</a></p> 
124245		<p><b>F-35 PMAC FLUSH PORT MODULE COVER - RIGHT Attached Multi-Function Pitot Probe Cover, Kit</b></p> <p>Flush Port Module Magnetic Cover for F-35 RIGHT side Attached F-35 Multi function molded polyurethane Pitot Probe Cover</p> <p>All models: A, B &amp; C</p> <p><a href="#">More info</a></p> 
124943		<p><b>F-35 PMAC FLUSH PORT MODULE COVER - LEFT &amp; RIGHT Attached Multi-Function Pitot Probe Covers, Kit - both sides</b></p> <p>Flush Port Module Magnetic Cover for F-35 for Both sides Attached F-35 Multi function molded polyurethane Pitot Probe Covers</p> <p>All models: A, B &amp; C</p> <p><a href="#">More info</a></p> 
124944		<p><b>F-35 PITOT PROBE COVER MULTIFUNCTION</b></p> <p>F-35 Multifunction Probe Cover provides comparable environmental protection to OEM equipment. We've engineered our probe cover for line-to-line fitment. The molded polyurethane seals the probe from the elements without damaging 5th generation LO coatings.</p> <p>The fit is secure, even during the most extreme weather, and can withstand winds above 100mph. Our urethane includes additives that will resist degradation from prolonged UV exposure.</p> <p>All models: A, B &amp; C</p> <p><a href="#">More info</a></p> 

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
F8308		<b>F-35 DRAG CHUTE SYSTEMS REFURBISHMENT KIT</b>  for F-35A Drag-Chute  <a href="#">More info</a>
F8309		<b>F-35 DRAG CHUTE SYSTEMS CONSUMABLE KIT</b>  for F-35A Drag-Chute  <a href="#">More info</a>
120506		<b>CUBE DRYING TOWER, MOBILE</b>  Drying Tower for 6 ea. Drag Chutes / deployment. The Mobile Drag Chute Drying Tower offers an unparalleled solution for drying AC drag chutes during deployment. Capacity of drying 6 ea. drag chutes in each batch.  8FT - Alu. module - fitted for C-130 Hercules.  <a href="#">More info</a>

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
122631		<p><b>F-35 AIRCRAFT SERVICE MAINTENANCE MODULE</b></p> <p>FT Aviation aim to provide a comprehensive design solution to meets client requirements, ensuring the highest levels of safety and job efficiency are achieved. Our maintenance stands for F-35, includes 9 modules. Equipment required for maintenance can be integrated into the module.</p> <p><a href="#">More info</a></p> 
123060		<p><b>F-35 LINE MAINTENANCE SERVICE MODUL</b></p> <p>Our Line Maintenance Service Module is the next evolution of maintenance working platforms designed specifically for F-35 line maintenance. Constructed with lightweight aluminum and equipped with non-slip material and rubber bumper edges, preventing damage to aircraft.</p> <p>Line Maintenance Service module is ideal for easy and secure pilot ingress and egress from cockpit.</p> <p><a href="#">More info</a></p> 
122692		<p><b>F-35 TAIL STAND SERVICE MODUL</b></p> <p>Our F-35 Tail Stand - maintenance platform is tailored to support operations on the F-35A. Designed with precision, safety, and modularity in mind, it allows reliable and ergonomic access to critical rear fuselage areas, including the exhaust and drag chute, enhancing the efficiency of ground crew operations.</p> <p><a href="#">More info</a></p> 

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
119742		<b>CABINET FOR RAILING SERVICE MODULES</b> Cabinet fittet under our Aviation work table. Special fitted shelves with og without HDFI solutions <a href="#">More info</a>
119743		<b>WORKTABLE FOR RAILING SERVICE MODULES</b> Worktable in aluminum custom fitted to the fuselage stand railing <a href="#">More info</a>
119744		<b>INLAY FOR WORKTABLE SERVICE MODULES</b> Angle inlay for worktable in aluminum for PC/computer <a href="#">More info</a>
119745		<b>RACKING STORAGE AIRCRAFT SERVICE MODULES</b> Storage racking for our Fuselage module stand - storage aircraft parts Flexible space between deviders. 6 ea. deviders <a href="#">More info</a>

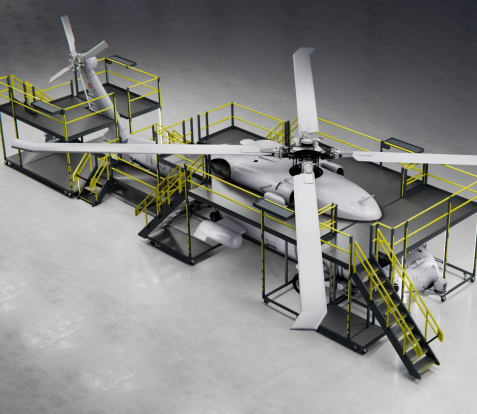

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
120451		<p><b>F-35 DEPLOYMENT CAGE MAIN/NOSE WHEEL</b></p> <p>For Container, Deployment, storage.</p> <p>Storage and transportation cage for F-35 wheels, accommodating 3 pcs rear wheels or 4 pcs nose wheels, with all surfaces that contact the wheels coated with a soft material to protect the wheels during transport.</p> <p><a href="#">More info</a></p> 
120570		<p><b>F-35 BAG FOR NOSE WHEEL</b></p> <p>Custom made wheel bag designed specifically for F-35 nose wheels. Crafted with a strong PEHD plate at the base (inside bag) where the bag is constructed from durable PVC/canvas material for secure storage. The bag's interior is lined with a gentle material designed to safeguard the wheels during transportation. Equipped with sturdy handles on each side of the bag, allowing two individuals to safely transport the bag with ease.</p> <p><a href="#">More info</a></p> 
120547		<p><b>F-35 BAG FOR MAIN WHEEL</b></p> <p>Custom made wheel bag designed specifically for F-35 rear wheels. Crafted with a strong PEHD plate at the base (inside bag) where the bag is constructed from durable PVC/canvas material for secure storage. The bag's interior is lined with a gentle material designed to safeguard the wheels during transportation. Equipped with sturdy handles on each side of the bag, allowing two individuals to safely transport the bag with ease.</p> <p><a href="#">More info</a></p> 
122434		<p><b>F-35 COAX CABLE TOOL CROWFOOT 5PC SET</b></p> <p>Upgrade kit with coax cable tool crowfoot crafted from high-quality AISI 4340-hardness material and high-quality Hardox 450 material in claw. The kit includes 5 pcs Coax cable tools custom-fitted in our HDFI solution and Opticase 01 box</p> <p><a href="#">More info</a></p> 

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
119700		<b>F-16 COMBINED SERVICING INSPECTION KIT</b>  Provides a tailored assortment of hand tools required to support common maintenance tasks, and health checks for F-16.  Toolkit Crew  <a href="#">More info</a> 
119765		<b>F-16 ROLLER CABINET AVIATION</b>  Inclined drawers, side cabinet, HDFI, FTC  Aviation Roller Cabinet custom designed specifically to meet the varied needs of F-16 daily maintenance.  Configuration: F-16 custom tool content HDFI engraved inserts Laser etching for Tool ID  <a href="#">More info</a> 
119405		<b>F-16 AIRCRAFT SERVICE MAINTENANCE MODULE</b>  The F-16 Fuselage Stands / Service Maintenance Modules ( 4 pcs) represent the cutting-edge in next-generation maintenance platforms. These stands are meticulously tailored to the unique contours of the F-16 fuselage, offering an optimal workspace.  They excel in cockpit maintenance, ejection seat servicing, canopy care, aircraft body and other forward component tasks, boasting a built-in PMA desk for added convenience.  <a href="#">More info</a> 

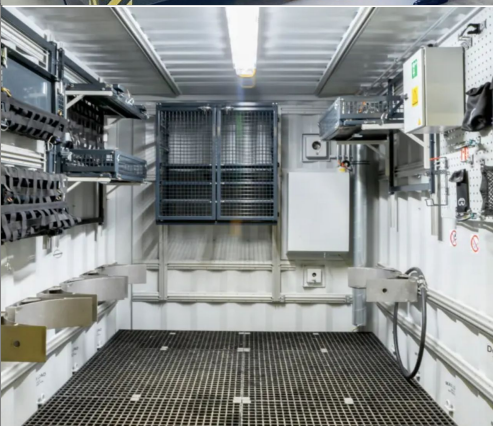

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
125387		<p><b>MH-60R LINE MAINTENANCE DOCKING MODULES</b></p> <p>Our Line stands for MH60R Seahawk, includes several modules. Designed and configured to fit specific airframe contours such as airframe, engines, and tail shapes.</p> <p>The docking system will ideally fulfill the requirements performing all modification/ maintenance tasks on the rotary aircraft.</p> <p><a href="#">More info</a></p>
125386		<p><b>MH-60R BASE MAINTENANCE DOCKING MODULES</b></p> <p>Our wrap-around stands for MH60R Seahawk, includes several modules. Designed and configured to fit specific airframe contours such as airframe, engines, and tail shapes.</p> <p>The docking system will ideally fulfill the requirements performing all modification/ maintenance tasks on the rotary aircraft.</p> <p><a href="#">More info</a></p>

124727		<p><b>HAZMAT CONTAINER ISO 10FT</b></p> <p>10ft LOW CUBE container designed for the safe storage of various environmental and hazardous materials, including oils, acids, bases, and other spillage products. The container is equipped with a floor tray and a drainage system leading to collection barrels for controlled containment and disposal. (Fitted for C-130 Hercules)</p> <p><a href="#">More info</a></p>

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
124728		<p><b>HAZMAT CONTAINER ISO 20FT</b></p> <p>20ft Low Cube container designed for the safe storage of various environmental and hazardous materials, including oils, acids, bases, and other spillage products. The container is equipped with a floor tray and a drainage system leading to collection barrels for controlled containment and disposal. (Fitted for C-130 Hercules)</p> <p><a href="#">More info</a></p>
124729		<p><b>GAS STORAGE CONTAINER ISO 10FT</b></p> <p>10ft Low Cube container is specially designed for the safe storage and transportation of gas cylinders, including explosive and pressurized gases. The container provides a secure and ventilated environment that minimizes the risk of ignition or leakage during handling and transit. It is constructed with proper anchoring points for cylinder stability, and ATEX ventilation to ensure safe gas dispersion. The container meets relevant safety and transport standards. (Fitted for C-130 Hercules)</p> <p><a href="#">More info</a></p>
114738		<p><b>CONTAINER HEAVY LOAD 20'RIGHTSIDE ACCESS</b></p> <p>RAL 7012 Grey, Low Cube, Custom, FT (Fitted for C-130 Hercules)</p> <p>20 foot low cube container including Heavy Load racking system for Aviation Ground Support Equipment (GSE)</p> <p><b>Content:</b></p> <ul style="list-style-type: none"> <li>• Racking one side side - Heavy duty</li> <li>• 5 ea. Tactical locker CWM</li> <li>• Power intake, lights</li> </ul> <p><a href="#">More info</a></p>
113556		<p><b>CONTAINER HEAVY LOAD 20'FULL ACCESS</b></p> <p>RAL 7012 Grey, Low Cube, Custom, FT</p> <p>20 foot low cube container including Heavy Loads racking system for Aviation Ground Support Equipment. Can be custom fitted to each and every GSE product to maximize deployment efficiency. 30 pallet spaces. Pull out shelving. Aviation aluminium pallets available. Fitted for Hercules C-130, C5 or C17 airfreighter.</p> <p><a href="#">More info</a></p>

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
122735		<p><b>FLEXMODULE 4-1 20F 3-WAYS EXPANDABLE</b></p> <p>No more earplugs and hearing protection! 20FT Low Cube - fitted for C-130 Hercules Our Standard FlexModul includes UPS and Solarfoil, featuring high-durability battery solutions, inverters, and screen displays, all integrated with an exterior coating of solarfoil on the container's surface.</p> <p>The interior of the FlexModul can be customized / built to meet the specific needs of the client.</p> <p><a href="#">More info</a></p> 
124735		<p><b>COMMAND CENTER CONTAINER ISO 20FT 3-1</b></p> <p>The command center is based on our 20-foot 3-in-1 expandable container, designed for maximum versatility and space optimization. The container expands horizontally on both sides, providing a total usable floor area of approximately 34 m², creating a spacious, flexible, and functional environment ideal for command operations, offices, or mission-critical support units. Plug &amp; Play in 20 minutes!</p> <p><a href="#">More info</a></p>
124737		<p><b>RESCUE &amp; SAFETY CONTAINER EXPANDABLE 20FT</b></p> <p>The Rescue &amp; Safety is based on our 20-foot 3-in-1 expandable container, designed for maximum versatility and space optimization. The container expands horizontally on both sides, providing a total usable floor area of approximately 34 m², creating a spacious, flexible, and functional environment ideal for command operations, offices, or mission-critical support units. Plug &amp; Play in 20 minutes!</p> <p><a href="#">More info</a></p>
124738		<p><b>RESCUE &amp; SAFETY WORKSHOP CONTAINER 20FT</b></p> <p>Repair and workshop containers are designed for easy transport and rapid deployment, providing all the necessary tools and machinery for a wide range of maintenance operations – even in remote locations such as forests or crisis zones.</p> <p>These containers enable round-the-clock service and repair of essential equipment and technology during critical situations, ensuring operational readiness and reliability when it matters most.</p> <p><a href="#">More info</a></p>

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
124736		<p><b>COMMUNICATION CONTAINER ISO 20FT</b></p> <p>The communication container is built on a 20-foot Low Cube container platform, offering a compact yet highly functional solution for mission-critical operations.</p> <p>It is designed to ensure continuous operational capability in crisis situations, 24 hours a day, seven days a week. Inside, the unit accommodates up to 5 fully equipped workstations, each fitted with advanced technology and tools tailored to the specific tasks and roles of the personnel.</p> <p><a href="#">More info</a></p>
124731		<p><b>ADR CONTAINER 20 FT</b></p> <p>20ft hooklift container is designed for the safe storage and transportation of explosive materials. The unit is equipped with an ATEX-certified air conditioning system and heating devices to maintain the internal temperature within a safe and controlled range.</p> <p><a href="#">More Info</a></p>
120333		<p><b>CONTAINER FOR 16 - 24 EA. AMRAAM MISSILES 20FT</b></p> <p>20-foot ISO missile container designed to hold up to 24 ea. AMRAAM or similar size missiles. This container is designed to protect missiles against damage and protect the surroundings if an accident occurs.</p> <p><a href="#">More info</a></p>
120334		<p><b>CONTAINER JSM MISSILE ISO 20FT</b></p> <p>20-foot ISO missile container designed to 4 ea. Joint Strike Missiles (JSM) or similar size missiles. This container is designed to protect missiles against damage and protect the surroundings if an accident occurs.</p> <p><a href="#">More info</a></p>

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
124740		<p><b>SECURITY INSPECTION CONTAINER ISO 20FT</b></p> <p>The container has a metal detector gate (Rapsican Meteor 6WP) and one X-ray scanner (RAPISCAN 618XR hp), with enough room to perform security checks in the same container.</p> <p>Persons subjected to security check can enter the container from one door and leaving from another door on the opposite side. Doors are fitted with magnetic contacts. The four sides of the container are equipped with four varifocal motorzoom bullet-type security cameras and three bullet-type cameras are installed inside.</p> <p><a href="#">More info</a></p>
121431		<p><b>FLEXUNIT XL TRAILER EXPANDABLE DEFENCE</b></p> <p>The Mobile Flexunit XL trailer is a full-size model offering an impressive 28 m<sup>2</sup> of space with a sleek, modern design – a 3 in 1 solution. It expands within minutes and can be operated with a BE license, easily towed by a van, large SUV, or pick-up truck. With a carrying capacity of 600-700 kg and 9 m<sup>2</sup> of storage space in transport mode, it is ideal for transporting equipment.</p> <p>Flexible use in numerous segments - the possibilities are endless!</p> <p><a href="#">More info</a></p>
124739		<p><b>MOBILE XL FLEXUNIT TRUCK</b></p> <p>Flexunit Truck is a full-size model offering an impressive 28 m<sup>2</sup> of space with a sleek, modern design – a 3 in 1 solution. It expands within minutes. With about 9 m<sup>2</sup> of storage space in transport mode, it is ideal for transporting equipment.</p> <p>Flexible use in numerous segments - the possibilities are endless!</p> <p><a href="#">More info</a></p>

FT Aviation loading Heavy load containers for RNoAF

PART NO	PRODUCT PICTURE	PRODUCT DESCRIPTION
116616		<p><b>TACTICAL LOCKER CWM</b></p> <p>For Container, Deployment, storage.</p> <p>Rolling cage with forklift pockets, sling loading points, locking mechanism compatible with padlock, corrosion protected by hot-dip galvanization, cargo net on the top, includes weather cover and bracing.</p> <p><a href="#">More info</a></p>
114301		<p><b>TACTICAL LOCKER CWL</b></p> <p>For Container, Deployment, storage.</p> <p>Double doors secured by one standard padlock. The unique design ensures high capacity to weight ratio and maximum internal to external volume. Multiple shelf positions, and the shelves are removable. Ideal for transforming a 20ft container into a mobile warehouse with full access through the center aisle in transport or storage. Eight cages fill one 20ft container, leaving the center aisle open, while twelve cages fill the container completely.</p> <p><a href="#">More info</a></p>
123032		<p><b>TACTICAL LOCKER WHL CWL</b></p> <p>For Container, Deployment, storage.</p> <p>This rolling cage is designed for versatile use in demanding environments. It features forklift pockets and sling loading points, ensuring safe and efficient handling during transport. A locking mechanism compatible with padlocks provides secure storage for your items, giving you peace of mind in transit or storage.</p> <p><a href="#">More info</a></p>
114302		<p><b>TACTICAL LOCKER MEDIUM</b></p> <p>For Container, Deployment, storage.</p> <p>Designed to maximize the TRICON, but also utilizes the available space on the CROP, 20ft container and PLS. Content inside the cage is accessed easily through the double doors.</p> <p><a href="#">More info</a></p>

119906		<p><b>POWER CUBE HYBRID 454541 GREEN ENERGY</b></p> <p>Compressor, Generator, UPS &amp; Solarfoil solutions.</p> <p>All-in-One high performance hybrid generator and air compressor system</p> <p>70-90% reduction on fuel and noise compared to traditional generators. More powerful!</p> <p><a href="#">More info</a></p>
123437		<p><b>HYBRID POWER CUBE 3000 WITH GENERATOR, UPS AND SOLARPANEL SOLUTION</b></p> <p>Introducing our advanced Hybrid Power Cube 3000. This innovative solution offers a substantial reduction in noise and fuel consumption compared to conventional systems. It features an integrated generator, fuel tank, UPS, and a solarpanel solution to enhance solar energy reception.</p> <p><a href="#">More info</a></p>

122920		<b>MOBILE POWER UNIT 1000 TRAILER</b>  High Performance hybrid power trailer with generator and UPS battery solution. <ul style="list-style-type: none"> <li>12-15kW charge / 24kVA inverters / 21,5kWh battery capacity</li> <li>Inverters: 3 x 8 kVA , 24 kVA nominal power</li> <li>Peak current of 46 Kw</li> </ul> <b>60 - 90% reduced fuel consumption and Noise!</b>  <a href="#">More info</a>
122919		<b>MOBILE POWER UNIT 2000 TRAILER</b>  High Performance hybrid power trailer with generator and UPS battery solution. <ul style="list-style-type: none"> <li>50kW charge / 45kVA inverters / 28,5kWh battery capacity</li> <li>Inverters: 3 x 15 kVA , 45 kVA nominal power</li> <li>Peak current of 81 Kw</li> </ul> <b>60 - 90% reduced fuel consumption and Noise!</b>  <a href="#">More info</a>
121381		<b>MOBILE POWER UNIT 3000 TRAILER</b>  High Performance hybrid power trailer with generator and UPS battery solution. <ul style="list-style-type: none"> <li>45-50kW charge / 90-144kVA inverters / 41-81kWh battery capacity</li> <li>Inverters: 3 x 15 kVA , 45 kVA nominal power</li> <li>Peak current of 81 Kw</li> </ul> <b>60 - 90% reduced fuel consumption and Noise!</b>  <a href="#">More info</a>

## BUILT ON TRUST - DRIVEN BY PURPOSE

FT Aviation AS was established as a joint venture between Fosen Tools and Aircontact Services, in direct response to the growing demand for agile, robust, and efficiency-driven defense solutions. Built on successful collaboration since 2018, FT Aviation represents a strategic fusion of industrial strength and operational expertise.

### Proven Expertise and Complementary Strengths

Fosen Tools and Aircontact Services combine decades of expertise to deliver advanced, mission-ready solutions for defense and high-readiness environments.

Fosen Tools excels in the design and production of robust ground support and deployment systems, while Aircontact Services brings proven capabilities in aircraft operations, maintenance, logistics, procurement, and compliance—aligned with NATO and international standards.

Together, we offer a powerful blend of operational insight and regulatory precision.

Driven by ethics, innovation, and sustainability, we deliver reliable, efficient driven solutions tailored for critical missions and demanding conditions.

Industrigata 1, Brekstad, Norway

Flyplassvegen 180, 4055 Sola, Norway

Karenslyst Allé 49, 0279 Oslo, Norway

### **Designed With the End User in Focus**

Our products are shaped by real-world defense experience, particularly in close collaboration with the Air Force. From modular ground units to full deployable platforms, FT Aviation offers mobile, reliable, and rapid-response systems tailored for field operations.

### **A Partnership Built on Trust**

FT Aviation is more than a joint venture – it's a trusted alliance grounded in shared values, mutual respect, and continuous innovation. The synergy between our teams gives us a unique edge in delivering high-quality, future-ready solutions.

### **Ready for Tomorrow**

We are committed to supporting armed forces and emergency operations with technology and services that meet evolving standards and sustainability goals. Whether at home or abroad, FT Aviation enables faster, safer, and more efficient air operations – wherever the mission leads.
